

YU

the culinary cocktail bar

YU takes its cues from the atmosphere of an English drawing room and the sophistication of a private members' club. Featuring a roaring fire, a collection of cosy velvet armchairs, crimson chandeliers - all encompassed with a fleeting aroma from the natural dark oak walls. Adjacent to the bar, is a breezy outdoor terrace, looking over our pool side and home to the most beautiful sunset view in the city.

Sit back and enjoy our curated menu of cocktails and bites, complimented by ambient house beats. Let the conversations flow over drinks as strangers become friends, and friends become family.

THE END

The biggest people with the biggest ideas can be shut down by the smallest people with the smallest minds; think big anyway. What you spend years building maybe destroyed overnight; build anyway. Give the world the best you have and you'll be kicked into defeat; give the world the best you've got anyway.
